HIDEYOSHIKO

What's this?

Huh?

Oh, I got it.
This is my...

My...

BEEP
BEEP
BEEP

He went
on to high
school.

Afterwards, all he could
do was hate them and
hate life. He wasn't ever
able to forget it.

But...

I can still
feel the
heat on the
soles of my
feet.

THINK YOU
LIVE THAT
SORT OF
TRUTH?

WANT
BLIST?

LIVE
BONDAGE
MAYBE?

NO NEED TO BE SO
UPSET ABOUT IT
WE'RE ALL GOING TO
HEAR, JUST LOOK
IT UP TO A MATTER
OF TASTE

NO!

Bandage?

STOP JUMPING TO
CONCLUSIONS!

I ALREADY
SAID NO!

WILL THEN IF
YOU WEREN'T
ANGRY AND YOU
DON'T HAVE A
FEELING, THEN
DON'T SAY IT!

THE FEELING!

Is you?

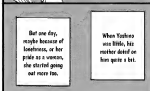

Yoshino Uji
always knew that
he was born with
a silver spoon in
his mouth.

His father always said he was "busy," but looking back on it, he was probably just out having fun.

His father got rich doing real estate deals on land he inherited from his own father. He was never home on weekends.

But one day, maybe because of loneliness, or her pride as a woman, she started going out more too.

When Yoshino was little, his mother doted on him quite a bit.

He grew up like a lonely prince, as if being left alone was the most normal thing in the world.

Left alone in a house without his father or mother,

YOU SURE
WENT IT GOOD

Most things fell
into his lap
without any
real effort.

If there was
something he
wanted, all he
had to do was
say the word.

Popular snacks,
new games,
money, women.

He had the looks,
a healthy body,
and his future all
laid out for him.

Maybe he was
right. Maybe he
was better off
than most.

There was
nothing in his
life that could
be called
unfortunate.

IT'S LIKE
YOU'RE GOING
THROUGH LIFE
ON EASY
MODE.

But honestly, how
boring is that?

WHAT ABOUT

NO

OH...

2-2

WHAT COMES
AFTER THAT?

WHAT WILL HAPPEN NEXT?**

Sorry, it's been such a long time since the last chapter. This will be coming out more frequently now until the end, so I'd be happy if you stick with it.
